“ *Brad was so fun to be around in high school with his great sense of humor. He was senior class president and I was his vice-pres. - what fun! He was always doodling cars that were truly works of art, so it came as no surprise when he was accepted to the prestigious Art Center.*

*I remember how happy he was when I confided in him that Jan had a crush on him, and would like to think that I helped bring them together, though I feel that they would have found each other anyways, given how enduring their love is.*

*May all your memories of your times together through the years help lift your spirits during this saddest of times.*

*Your old friend,  
Debbie*

“ *One of the constant humorous memories I have of Brad was the way he spoke about the city in which he lived: "Fres-NOooo!" The Brad I knew was a wonderful, loving, creative, and fun man, who left us far too soon. My thoughts and love are for his family now, especially for my cousin/his wife, Jan. Patricia Gurin*

“ *I appreciated seeing how much Brad loved Jan and how much he loved his sons. He and Jan were such a great example of a marriage based on love and mutual respect--and joie de vivre and a great sense of humor! I'll miss your commentary on the world, on pop culture, your thoughtful artist's perspective. Thank you for being so supportive and welcoming. Love, Beth*
