“ *This picture was taken when my uncle Bill took us shooting. He was standing right behind me the entire time because I had this overwhelming fear of guns. He told me not to be scared because he was going to be behind me no matter what.*

I think this represented our relationship, no matter the time or place if I needed him he was there. He will always be my angel and I couldn't be more grateful to have been able to meet this wonderful man.

I love you Great Uncle Bill, forever and ever!

My greatest cousin, but I loved him like a brother....cousin John Brooks.

“ My condolences to Bills family and close friends . Bill was one of the most generous people I've ever met. We would go to lunch and people would know him and thank him for the help he gave them. We would see someone needing assistance and he would help them out. He loved his family and spoke of them often and as he did his face would light up. I wish more people were like him, the world would be a better place. I am sure that he will be taken care of by our loving Heavenly Father. The world has lost a good man , But heaven has gained him. You will be missed my friend. Until we meet again. - Keith Hampton
