“ Christy, Tere and Family,

*My love goes out to you all during this difficult time.*

*I'll always remember the time when Tere brought Billy down to meet all of us. He was such a joy to be around and I could tell he loved being around us as much as we enjoyed having him around.*

*Despite losing touch, Billy and your family have always been in our thoughts and prayers. Tere talks about him and the rest of her love ones all the time.*

*May God Bless all of you during this time of grief.*
